## ABOUT ME

Front-End Developer with experience designing and coding responsive webpages. My background in Psychology gives me a unique perspective with regards to user experience.

## PROJECT EXPERIENCE

### SMALL BUSINESS WEBPAGE

Freelance project | 2024

Created a webpage with HTML and CSS for a small business or advertise services and contact information.

### RECIPE GENERATOR

SheCodes Certification project | 2024

Implemented HTML and CSS for layout and styling; integrated JavaScript for dynamic content and used APIs for AI generated responses

### TRAVEL SITE

SheCodes Certification project | 2024

Utilized HTML, CSS and responsive design to create a webpage

### WEATHER APP

SheCodes Certification project | 2024

Created with HTML, CSS and JavaScript as well as integrated weather API's to provide real-time updates and improve user experience
